

BASC – CLUB VOLUNTEER FORM 2018/19

One form must be completed by/for the designated adult member for each family application

- ⊕ All swimmers must have an associated designated adult club member, usually a parent or someone acting in a parental capacity. This parent /guardian will be required to participate in the pool side and desk rota (when required) which will be placed on the club notice board. Without the input of volunteer parents, (especially the coaches and committee), THERE WOULD BE NO SWIMMING CLUB. It is therefore an important criterion of club membership that the designated adult member be available to take an active role within the club.
